## Multimedia Security Box

Issue 2

The Multimedia Security Box enables a variety of media types to be terminated in a secure compact surface mount metal casing with clear lid for visual inspection. The box is sold separately to the adaptor plates that are available in a wide range of configurations including Category 6 RJ45, LC, MTRJ and SC fibre adaptors (simplex and duplex). There are three different adaptor plate locations to suit any mounting position or connector configuration.

The compact configuration is adaptable to several mounting positions, including vertical and horizontal orientation.

### Features:

- Compact enclosure, supplied with mounting post, splice chips and cable entry glands
- Provided with a clear sliding lid, with provision for security seal
- Accepts a range of adaptor plates enabling versatile adaptor/connector options
- Metal construction
- All adaptor plate fasteners located securely inside the box to eliminate external tampering
- Integrated internal bend radius management
- Horizontal or vertical mounting
